LAST DAY OF HERALD'S BIG VACATION PUZZLE

This is the last day of The Herald's "United States" puzzle contest. All solutions must be delivered at The Herald office not later than 6 o'clock this evening, or mailed so that the envelope will bear a postmark not later than that hour.

While the contest closes this evening there is still sufficient time to register a winning solution, and if you have been holding back one, you had better submit it before 6 o'clock this evening. It may win the money necessary for your vacation.

Should there be any ties to work off, the next puzzle will appear within a very few days, so that the prizes may be speedily awarded. This is just the season of the year when the money will be the best appreciated, and it will be but a very few days now before five Herald subscribers will be in a position to enjoy it.

Register your solution today.

READY TO SHOW HIGHWAY FILMS

"National Capital Prepared"
Has Premier Exhibit at
Poli's Theater Tonight.

That the National Capital is pre-eminently prepared to meet the requirements of a great and wondrously conducted municipality and seat of government is demonstrated in a thorough manner in the film "The National Capital Prepared," which will be offered beginning tonight at Poli's Theater.

This film has been prepared under the auspices of a joint committee of the Board of Trade, Chamber of Commerce and Retail Merchants' Association. The culmination of this film story has been brought about through the co-operation of President Wilson and members of his Cabinet, most of whom will be at Poli's Theater tonight for the premier performance.

The film which is about 3,000 feet long, is the realization of an idea of Col. Robert N. Harper, chairman of the joint committee of the trade bodies.
